

## Checklist of instructions for your animated slideshow: (Childhood/Engagement or Honeymoon)

1. Select your pictures & music (usually about 80 pictures per song). Uploaded photos should be at least 1080 pixels high at 72 dots per inch (DPI)
2. Tell us if you want them to appear in a certain order and put them in that order.
3. Example: all the bride's childhood pictures can be shown, then the groom's pictures or you can mix them up (show them side by side at various ages).
4. All pictures must be submitted on a flash drive, CD or through Drop Box (you must have all pictures cropped, if needed).
5. Your songs – Title, Artist (need one song for every 80 pictures)
6. All information must be submitted to us at least 30 days before your event.
7. We usually email you 2 or 3 different styles of your slideshow to view. You may select which style you prefer.
8. Delivery formats available: DVD, BluRay, USB drive (you provide)
